"The Mother World"

Capital: CHRYSALIS

Seat of government: THE SAND CASTLE

Beacon: WHITE

MON DOMANI colonized and ruled her four moons until the FIVE WORLDS WAR, when the former colonies claimed their independence. Though Moon Yatta has since eclipsed it in power, Mon Domani (aka Mondo Mani, The Mother World, or The Old • World) remains a center of high culture and history. It is home to the Sand Castle, which is still considered the greatest school in all the worlds.

The ancient and now vanished Felid Gods first populated the Five Worlds. On each of them the Felids built a giant beacon of unknown purpose.
